COMING IN AT PLAY AND LUNCH TIME

I go out to play at play time and lunch time.

The teachers ring the bell when it is time to come in from play.

Before the bell rings music plays.

When the music is playing it is time to go to the toilet, wash my hands and have a drink of water.

When the bell rings it is time for me to line up with the other children in my class.

My teachers will tell me where to line up.
