GOING TO SCHOOL CAMP

Next Monday, Tuesday and Wednesday I will be going to camp with all the other children in Grade 3.

I will be sleeping there for two (2) nights - Monday night and Tuesday night.

I will be sleeping in bunk rooms and there are 4 - 7 bunk beds in each room. I will be sleeping in a sleeping bag on my bunk.

Other children will be in the cabin with me. Some of them will be my friends.

At camp I will be doing different activities each day and before bed time each night. My teacher will tell me what these activities are.

My grade and I will travel to camp by bus.

____________, ____________, ____________, and ____________ are the adults that are at camp. They will know how to take care of me.
Most children love to go away to camp and they have lots of fun.
