**Friends**

My name is ____________ and this is a story for me.

Most students like to play different games at play time and lunch time.

I like to play with my best friend.

Sometimes other children want to play with us too. This is ok.

Many children play with more than one friend.

It is okay to let my friend play with other friends. A good friend is happy to share his friend.

It is okay for me to play with other children at play time and lunch time. Sharing and making new friends is a good thing to do.
