Things I Can Do

Sometimes I am not sure what I want to do at playtime and lunchtime.

Sometimes I play with the other children. Other times I like to be by myself.

This is a list of activities that I can do by myself or with another child if I want to.

1. build with wood outside the art room.
2. pull computer apart
3. play games on the computer in the library
4. build things with cardboard boxes in the art room
5. build with the construction blocks

On very special occasions I will be able to construct with the Omegels.

Before I do any of these activities, I need to speak with ___________. If I can’t find ___________. I need to speak to _______________.
