Wax Museum

On______________ all the grade will be having their wax museum. I will be in the wax museum.

The wax museum will start at 6:00pm in the school corridor.

I will need to be at school by about 5:30pm to get dressed into my costume.

At 6:00pm I will be dressed as my explorer, Charles Sturt and standing in front of my backdrop, map, poster and globe.

I will have to try to stand still for 15 minutes, 3 times during the evening, 6:00pm, 6:30pm, and 7:00pm.
Many parents and friends will come to look at us. I will try hard to be very still and not move.

Many children enjoy doing different things. The wax museum will be fun.
