RULES AT CAMP

1. My teachers or the camp leaders are speaking I am quiet and I listen to them.

2. My teachers are in charge of me when I am at camp. I will try to do as they ask me.

3. At camp I will be visiting many different places. People will tell us about the places we are visiting. It is good manners to be quiet and listen to the person when they are speaking.

4. When I am doing things with my group, I stay with my group.

5. If I need help when I am at camp I can talk to my friends or my teachers.

Following the rules at camp keeps everybody safe.
